By selecting Adopt and Sign, I agree that the signature and initials will be the electronic representation of my signature and initials for all purposes when I (or my agent) use them on documents, including legally binding contracts – just the same as a pen-and-paper signature or initial.

ADOPT AND SIGN **CANCEL**

- Adopt a signature by clicking **ADOPT AND SIGN** to adopt and save your signature information and return to the document.
- If you do have a Docusign account and are required to enter an access code, you will be asked to Confirm Your Identity and insert the security code that you have been separately sent by your MBM contact.

Confirm Your Identity

Please enter your security code to confirm your identity.

If you didn't receive a security code, please contact the sender.

7. Confirm signing: When you finish clicking all signature tags in the document, confirm signing by clicking **FINISH**. A message appears stating that you have completed your document. You can now download a PDF copy or print a copy of the document. The sender receives an email with the signed document attached, and the signed document appears in their DocuSign account.
8. Sign up for a DocuSign account: It is optional to sign up to a DocuSign account and save the document in your own account. There is no requirement to do so, but should you expect to sign more documents with DocuSign, it will save you time in the future as you will not be asked to Adopt and Sign.

Should you have any questions about DocuSign and MBM's use of DocuSign, please contact your relevant MBM contact or Hannah Brazel (Hannah.Brazel@mbmcommercial.co.uk).
